Glossary

Clergy – priests and deacons.

Diocese – refers to the Roman Catholic Diocese of Calgary.

Employee – refers to individuals within the Diocese of Calgary who receive remuneration for their work.

Guideline – a statement by which to determine a course of action. A guideline aims to streamline particular processes according to a set routine or sound practice.

Minor – individual under the age of 18

Personnel – refers to any individual, paid or unpaid, working within the Diocese of Calgary including employees, volunteers and clergy

Policy – is a statement of intent and is implemented as a procedure or protocol. Policies are promulgated by the Bishop of the Diocese and adherence to policy is mandatory.

Position of Trust/Authority – is someone who has:

- A significant degree of authority or decision-making power over a vulnerable adult; and/or
- Unsupervised access to a vulnerable adult and their property; and/or
- The ability to develop a close, personal relationship with a vulnerable adult; and/or
- Access to financial records; confidential information involving the Diocese, employees, volunteers or parishioners; money or Diocesan property.

Procedure – refers to an established way of doing something based on best practice.

Standard – refers to a minimum level of quality or attainment that is considered acceptable.

Standard of Care – refers to the watchfulness, attention, caution and prudence that a reasonable person in the circumstances would exercise. If a person's actions do not meet this standard of care, then his/her acts fail to meet the duty of care which all people (supposedly) have towards others. Failure to meet the standard is negligence, and any damages, resulting therefrom may be claimed in a lawsuit by the injured party. (Retrieved from <https://legal-dictionary.thefreedictionary.com>).

Volunteer – refers to anyone who without compensation or expectation of compensation performs a task at the direction of and on behalf of the Diocese.

Volunteer Screening Coordinator – individual assigned responsibility within a Parish or the Pastoral Centre for screening volunteers as required under the *Strengthening Our Parish Communities* program.

Vulnerable Adult – those who are not able to defend themselves, protect themselves, or get help for themselves when injured or emotionally abused. A person may be vulnerable because of a physical condition or illness, such as weakness in an older adult or physical disability, or a mental or emotional condition.

Professional Pastoral Standards

The Code of Pastoral Conduct and Accountability for Volunteers (the “Code”) provides guidance for the conduct of all volunteers carrying out ministries and activities on behalf of the Diocese, parishes, offices, programs or related Catholic lay associations and organizations. It is intended to ensure practices of accountability by considering a variety of circumstances that, if not appropriately addressed, may create a risk of boundary violations, incidents of misconduct or abuse, allegations, claims and/or lawsuits.

Volunteers, who act in the name of the Church in virtue of their participation in the work of the Diocese and the parishes, are in a position of trust and authority. They must be held accountable for their actions and behaviours in their ministry. Therefore, in order to maintain the highest level of accountability, there must be clear and unambiguous guidelines for appropriate and inappropriate behaviour and conduct, ministry, and pastoral activities. Thus, the Code provides guidelines, practices and procedures in promoting a safe environment for identifying personal and professional boundaries that must be respected and maintained. It also serves as a prudential guide in identifying best practices for ensuring safe environments, supporting expected practices of exemplary behaviours and activities for those entrusted with roles of pastoral ministry and service which reflect charity, justice and fairness in accord with the teachings of the Catholic Church and the applicable laws of both canon law and secular laws.

The Diocese is committed to establishing, maintaining and implementing reasonable policies, associated practices, and procedures to ensure a safe environment and support volunteers. However, no policy manual or code of conduct can anticipate every circumstance or question concerning a policy. Questions about any aspect of the Code can be directed to your immediate supervisor or to the Human Resources Office.

It is the responsibility of all volunteers working within the Diocese to familiarize themselves with the Code, and the policies and procedures that apply to their role or ask their supervisor if they are uncertain which apply. A signed agreement form must be returned as part of the volunteer orientation package, signifying that the Code has been reviewed and that the volunteer will comply with the established policies and guidelines.

The Diocese, upon its own authority may determine, alter or modify policies, procedures, or other statements made in this document. The current version of the Code, including updates will be available on the Diocese website.

Strengthening Our Parish Communities

The *Strengthening our Parish Communities (SOPC) Program* was introduced in 2010 throughout the Diocese and as a comprehensive Ten Step process to screen and monitor volunteers. It is intended to ensure that volunteers' involvement is meeting the needs of the Diocese, the populations they serve and the volunteers themselves. Screening is a process that helps match people with volunteer positions while improving the quality and safety of the programs and services offered. Volunteers are responsible for completing the applicable steps required in the screening process that apply to the role which they will be performing.

- Volunteering in programs whose participants are minors and/or vulnerable adults is contingent on the volunteer obtaining satisfactory clearances (i.e. Vulnerable Sector Police Information Check, Intervention Record Check) prior to commencing in their role. These clearances must be updated as per Diocesan policy – every 5 years.
- Volunteers are required to complete all assigned Praesidium Sexual Abuse Prevention training modules as appropriate to their role. They agree to complete those required modules within the specified timeframe and before commencing in their role when supporting programs that provide service to minors and/or vulnerable adults.
- The Praesidium training modules are a key element of the SOPC program. They provide information and learning that increase awareness of the conditions and opportunities that can manifest themselves in day-to-day activities in our diocesan or parish environment, which can lead to the potential for abuse to occur. It is everyone's responsibility to be aware and to prevent these conditions from being present, thereby reducing the risk.
- Volunteers working directly with minors and vulnerable adults will be required to adhere to established boundaries and guidelines for working with children and vulnerable adults as outlined in the Code.

Breach of Code of Pastoral Conduct and Accountability for Volunteers

In the event that the Diocese becomes aware from any reasonable source that a Volunteer is, or potentially is, in breach of the Code, unless such breach is the result of bona fide error in judgement by the Volunteer as determined by the Diocese, then the Diocese may undertake an investigation into the circumstances surrounding the breach.

Any Volunteer found to have committed a breach of the Code may face sanctions up to termination of their appointment or voluntary participation with the Diocese (as appropriate). Sanctions or discipline may include one or more of the following:

1. Verbal warning;
2. Reprimand in writing;

3. Implementation of a rehabilitation process intended to address the breach of the Code, including steps such as requiring formal apologies, accountability and implementing strategies and goals for improving the conduct of Volunteers on a going-forward basis;
4. Termination of appointment of voluntary participation with or without notice; and/or
5. Such reasonable and prudent sanction as appropriate in the circumstances

In deciding the appropriate discipline, the Diocese will, to the extent it is reasonable in the circumstances, focus on discipline which is constructive, remedial and intended to solve the issue moving forward. To the extent reasonable, the Diocese should also consider whether the Volunteer has a history of violations of the Code or whether this is a first breach of the Code.

Information concerning the private interests of Volunteers in such matters as a breach of the Code shall be treated in complete confidence, with such information to be held in a special file and secured safely and in accordance with the terms of any privacy policy of the Diocese and Privacy Legislation.
