First Reconciliation Sacrament Preparation

Welcome to the Home-Based Sacrament Preparation for 2020 and 2021 which is in response to the current conditions under COVID-19. This home-based program recognizes parents as the primary teachers of the Faith. In order to assist the parents in their role, the Diocese provides coaching support for parents delivered via Zoom.

This page will contain all the resources that may assist parents in preparing their children for the Sacraments of Initiation.

Registration is currently open for First Reconciliation and First Communion. But only preparation for First Reconciliation will be available this year. Preparation for First Communion will be offered in February 2021. Your child's registration this September will be good for both Sacraments.

Please make sure that you have registered your child through your parish either through the parish website or the parish office, or in some cases, through your child's Grade 2 class where you may have received a registration form.
